

Opening of Small Accounts – Simplified

Those persons who do not have any of the 'officially valid documents' can open 'small accounts' with banks. A 'small account' can be opened on the basis of a self-attested photograph and putting her/his signature or thumb print in the presence of an official of the bank. Such accounts have limitations regarding the aggregate credits (not more than Rupees one lakh in a year), aggregate withdrawals (not more than Rupees ten thousand in a month) and balance in the accounts (not more than Rupees fifty thousand at any point in time). These small accounts would be valid normally for a period of twelve months. Thereafter, such accounts would be allowed to continue for a further period of twelve more months, if the account holder provides a document showing that she/he has applied for any of the officially valid document, within twelve months of opening the small account.
